

## **GENERAL INFORMATION**

Your son may access this account for purchases at the camp store. Campers use these accounts to purchase drinks, snacks, late night pizzas, t-shirts, shorts, hats and sweats. More than 80% of campers take advantage of this option. The average opening balance last year was about \$75.

(Unfortunately, due to limitations of our office in Southborough, we will not be able to add to these accounts by credit card while camp is in session.)

The Camp Bank Account is a secure and convenient way to keep your money for incidentals safe yet accessible during your time at camp.

## **TERMS AND CONDITIONS**

1. Remaining balances of \$20 or more at the camp's conclusion will be refunded in cash, if the account was opened with cash or a check. Credit card accounts will be credited within 30 days of camp's conclusion
2. Remaining balances of \$20 or less, not claimed at camp's conclusion, will be forfeited.
3. A \$5 service fee will be deducted from initial deposit for handling and maintenance of the account.

All Camp Bank Account Activators must be received in our Acton office no later than July 21st. (Those missing this deadline may sign up on-site at check in, with cash, bank check or money order only.)

## **IMPORTANT NOTE**

Again, please note that we cannot add to bank accounts by credit card once the camp is in session. So be sure your opening balance is sufficient for all of your needs.
